Lucia

Lucia knows the way to the head of the class!

My tutor, this cute guy named John from my class, came over like, 30 minutes early and I told him that I wasn't ready yet, 'cause I had to jump in the shower. John said he didn't mind waiting, but I was super horny, so I grabbed his hand and told him to come with me. We got into the shower and he sucked on my hard, aching nipples and stuffed his fingers into my hot, wet cunny. After we rinsed off, John told me to go in the bedroom and wait for him.

I laid on the bed, shut my eyes and began rubbing my clit. Johnny came in and started to suck my toes and lick his way up my long toned legs. I felt his tongue lap my swollen lips and his lips kiss my pussy. Pretty soon I came all over his face and I eagerly lapped up my pussy juices from his lips and took hold of his hard cock. Putting him in my mouth I had him fuck my throat until he busted a nut.

And that's when things got really hot!

Next time it's going to be all about the "A"!

Party Raid

SLEEPOVER, SLITS!

Kelli and I have been best friends forever and when we went off to college I knew we were going to remain friends, 'cause we were super close, but I didn't know that Kelli got into some very experimental stuff!

She invited me to her house over the spring break for a sleepover. I thought it was cute that she was still into that, and I knew it was going to be a great time to catch up, so I got there early and it was awesome!

Kelli looked way different. She was like, 20 pounds lighter (and she was only like, 115 lbs. to begin with) and her once-blond hair was now this really cool deep red. For some reason, even her breasts looked bigger, and wow, did her ass look tight! I was never attracted to her in a big way—I always thought she was cute—but now Kelli was completely fuckable! What I didn't know was that Kelli felt the same about me!

"You look great!" I shrieked after I walked in the door. "You look really great!"

"You do, too!" she said as she gave me a really nice, tight hug. Her hand ran up my back and heart raced a little, kinda the way I feel like right before I kiss a guy.

We talked a while about Kelli's college adventures, and it was crazy! She was doing all kinds of sex stuff—blowjobs, anal; even two guys at once! But what she said next was kinda shocking.

"I'm really into eating pussy, too," she said quietly locking her eyes onto mine.

With that, she leaned over and kissed me—a really deep kiss, with tongue and everything! The next thing I knew, we were on her bed and her one hand was up my shirt, gently caressing my nipples and the other going down my pants, right underneath my panties, and sliding right down my slit! I

was super wet and Kelli got three fingers into my aching hole with no problem!

Our tongues were working overtime in each mouths and by the time I lifted her shirt up, Kelli already had me naked and was making her way down to my cunny with her little butterfly kisses. She turned around and shifted her hips over my face and as she started to eat my snatch, I gently lapped at hers.

"Come on," she moaned. "Get your tongue and fingers in there and fuck me good!"

I did what she said, sucking in every drop of pussy juice from her hole, all the while fingerfucking her like a jackhammer.

Kelli's tongue and hand were going crazy over my mound and lips, and I couldn't believe how hard I came! In fact, Kelli came just as I did and when we were back facing each other, both of our faces were glazed in sticky slit sauce! It was so fucking hot and it was only the start of our awesome sleepover!

Dirty
Laundry

BUTT, FIRST!

My boyfriend, Danny, has been getting me to do all kinds of dirty stuff lately! See, after our first kiss, we got kinda crazy for sex! The first time his lips pressed against mine, my pussy was like, sopping wet within a second! All I could think of was going a little further, then a little further than that! So, on our next date, I let him feel me up. He put his hands

all over my tits and I even let him lick my nipples. When he massaged my jugs, I felt my cunny start up and suddenly, my panties were totally soaked! I wanted Danny to touch my pussy, but I knew I had to wait!

Then a few days later, we made out, he touched my boobs, and then I couldn't take it, so I let him put his hands down my pants and put his fingers deep inside my hot slit! That was totally it! I'd stuck my fingers in there a few times before, but having Danny inside me was too much! I circled my hips as he slipped his digits in and out of me, getting his knuckles wet all the way down! I really wanted to take his cock, so I did, but I didn't let him put it inside of me! No way! I did, however, put my mouth on it and gave him, at the time, what I thought was a pretty good blowjob!

So, like, a week later, Danny and I were total sex fiends! I would take his boner down my throat and he was actually eating my pussy! I knew I wanted him to fuck me, but I wanted to stay a virgin. So when Danny stuck his finger up my butt while he was slurping my pussy in this awesome 69 we were doing, it was like he gave me the solution to my problem!

"Danny," I moaned, "I want you to stick it in back there!"

Without a word, Danny got up and positioned me the right way, lubed me up with his tongue and slowly worked his cock into my tight little asshole! I didn't expect it to feel so fucking good, but it did! He got into a really good rhythm and there was just nothing like the feel of his meat slipping in and out of my hot backdoor!

My hand was like, magnetized to my clit and I rubbed myself quicker and deeper until my pussy came like crazy! My whole body was shaking, and just as I was getting over my orgasm, I felt Danny tighten up and then I felt this hot, gooey stuff in my ass! He came, too!

Danny was breathing super hard and when he pulled his dick out, all of his jizz slid out of my just-fucked asshole, down my crack, and all over my pussy lips! I knew it was only a matter of time before his rod was going to be pounding my tight slit, but for the time being, my butt was the place to be!

Alya & Billy

Ali has
the hots for
her friend's
brother, can
she resist?

Billy is my college roommate's older brother. Anytime he visits, I flirt and prance around in my see-thru panties and accidentally leave my legs open. One time, I was masturbating in the shower when I heard his voice down the hall. I ran back to my room and waited to get dressed. Billy knocked on my door and he walked in to find me dripping wet and all alone. Kissing him hard on the lips, I rubbed my towel-clad body against him and lowered my face to his stiffening cock. Freeing his prick from his jeans I started to suck him off. It was better than any fantasy. His cock was warm and tasted so good that I lost track of time. Suddenly his cock twitched in my mouth and he filled my mouth with so much cum I wasn't sure I could swallow it all. Down it went and just in time!

Cassidy

Cassidy isn't ready to be deflowered, but that's not holding her back!

really like my boyfriend, but I want to remain pure for my future husband. I have gotten real good at giving blowjobs and I love to swallow his creamy cum when he shoots it into my mouth! Lately all he wants to do is blast his load on my tits, but I feel so slutty doing that. And that's why I really like it! But, for all the sucking I'm doing, my poor slit has yet to be licked! Thankfully, he's so good at fingering me, I don't think I'm missing anything. The last time he stuck his hand into my panties, my pussy felt like it was eating his hand. My eyes rolled back in my head and my entire body felt like it was tingling and all of a sudden my pussy exploded in a wave of gooey mess. When he took his hand out of my panties, his fingers were shiny with sticky goo!

Try giving

thing or two!

Sonia and Susie actually met for the first time at a Sonia's 19th birthday party, and they're already as close as two girls can get. Dropping their panties and spending hours exploring each other's body and munching muff is how they have spent every single night since! Both of them may be pretty new to all this but they know what pussy is for, and to see them sucking snatch and finger-banging each other you'd swear they were veteran lesbians. When Susie sucks Sonia's clit, it makes the 18-year-old go crazy and when she fucks her with the vibrator the neighbors call the police to complain about the noise!

The Internet is great! Where else can a total slut get fucked by random dudes!

Jane, Gary
& Rick

I always wanted to just fuck some anonymous guys, but didn't want to be labeled a slut. I put my info on the 'Net and BAM!, two dudes show up at my door to plug me deep and hard with their fat penises! As soon as the doorbell rang I sunk a finger inside my wet pussy to give myself a headstart. They saw me and were naked and on top of me in seconds. One guy was licking my pussy as the other guy massaged my tonsils with his tongue. It was a non-stop fuckapalooza! I forgot who's cock ended up down my throat first, but it was bigger than any dick I had ever had. And the guy who stuck his prick in my pussy made me cum so fast I almost had to stop sucking the dick to catch my breath. The guys turned my pussy and asshole inside out and I only wish they'd come back so we can do this again!

Jennifer

I am a bad girl. I used my friend Lisa's dildo! I accidentally found her toy when I was putting away laundry. There it was, all thick and veiny and begging to be buried in my cunt. It was so taboo, my pussy started drooling and I quickly snatched it up and ran to my bed. I locked the door, inched up my skirt and pulled my thong panties to the side and began rubbing the length of the dildo along my pussy lips.

Being home from college can be dull, unless you have some toys!

Grinding my pussy against the shaft made me so wet that the cock easily slipped inside me and I fucked my teen twat so deep that I passed out after a thunderous orgasm. I woke up with the cock still inside me so I went for another quick round of pussy plugging before I washed it off and put it back! Thanks, Lisa!

Wendy

& Juli

I was housesitting for my brother while he was on vacation. I was very bored and super lonely, so I called up Julia and invited her over. By the time she got there, I had found my brother's secret stash of porno and was watching two complete whores licking each other's twats! When Julia came in and saw me with my hands in my pants watching smut, I stood up, scared stiff! At first I thought she was going to make fun of me, but instead, she made out with me! Her hands went up my shirt, gently massaging my nipples, as the other hand made its way down my wet slit.

The horny friends make their own fun, with porn and fuck toys!

What I didn't know was that Julia had a surprise in her bag—a big strap-on cock! With one stroke, she got it all the way in! She crammed it in and out of my hole, all the while rubbing my clit, getting her fingers covered with my cum! Of course, I returned the favor by plunging my fingers, tongue, and that

rubber dick straight into Julia's soaked pussy! We must have fucked all night, 'cause we saw the sun come up as we were cumming for the fifth time each!
